CALLING ATTENTION TO A MATTER OF PUBLIC IMPORTANCE

re.- Dangerous Condition of the Bhadra Reservoir Project.

SRI M. C. BASAPPA.—I call the attention of the Chief Minister to the dangerous condition to the Bhadra Reservoir Project and the repairs required for the same.

SRI R. GUNDU RAO(Chief Minister).—I wish to make the following statement.

There are 5 sluices in the Bhadra Dam. It was reported by the Chief Engineer on 31-12-1980 that heavy leakages in the form of powerful jets were observed at various points in the dry wells of scouring sluices, river sluices and irrigation sluices. It is further reported by the Chief Engineer that the Director, Dam Safety Organisation, Central Water Commission who visited the Dam on 25-12-1980, has opined that the Dam needs urgent repairs and repairs to be taken at least by next summer. It has been reported that it is not possible to undertake the repairs during the current season, since there is perennial crops in an area of about 50,000 acres.
